## Policies and Information

### Banquets: Planned and Served With Pride

The staff and management of the Sherman House provide all of the professional services to make your function an absolute success, whether it is a business meeting, wedding, or social function. Attention to detail is lavished on every event no matter the size. Good food, friendly service, and the incomparable facilities at the Sherman House will make your event one to be remembered.

Our own special recipes are prepared fresh for each affair by our experienced culinary staff. Whichever entrée or service you choose, a formal sit-down affair or a special buffet, you may be assured that only the finest foods are purchased and used in our modern, clean kitchen.

### Policies

Menu selections should be submitted to our banquet office at least one week in advance, otherwise items selected cannot be guaranteed. Entrée selection on all sit-down banquet menus is limited to one choice except when special dietary or religious reasons must be taken into consideration. Please arrange for these special foods at least 72 hours in advance.

### Confirmation

To assist us in better planning your event, we request your final guarantee of the number of guests to be served no later than 48 hours prior to your function. Charges will be based on the guarantee or the actual attendance, whichever is greater. If more people attend than the guarantee, within reason, we will provide the same or comparable meal at the same price per person. (A 10% margin in attendance is customary and within reason.)

### Control

Wedding cakes and ethnic-type desserts may be brought in with the approval of the Manager. No other food or beverage items will be permitted to be brought into the banquet rooms. Management reserves the right to oversee all private parties, meetings, receptions, etc. being held on the premises. We ask you to be courteous to our other guests by keeping noise to a reasonable level.

### Gratuity and Tax

An 18% gratuity plus applicable sales tax will be added to all food and beverages ordered through the catering and banquet departments. Groups requesting tax exemption must submit their tax number and official letter of exemption prior to the function.

### Credit

New accounts with the hotel must establish credit with our Manager at least two weeks prior to the function. When credit has been established the bill must be paid in full within 30 days. If credit has not been established, catered functions must be paid in full the day of the function. We honor Master Card, Visa, American Express, and Discover. Personal checks must be presented for approval.

### Meeting and Banquet Rooms

Items to be put on the walls must be approved by management. The client agrees to be responsible for any damage done to the premises during the time the meeting/banquet rooms are under their control or under the control of any independent contractor hired by them. The Hotel is not responsible for any loss or damage to items left on our property, prior to, during, or following your function. Management reserves the right to reserve a smaller room for a function when the number of guests has decreased. Meeting equipment can be arranged for your function with advanced notice.

### Room Rentals

Room rentals are based on the function room size, number of attendees, and food and beverage selection. We reserve the right to utilize another room.

### Music

We have piped in music to all of our banquet rooms, but you are welcome to bring your own band if space permits. The sound level of any music must be under the control of the Sherman House management. All music will need to end by 11:00 p.m.

### Liquor

All Federal, State, and Local laws regarding alcoholic beverage purchases and consumption will be strictly adhered to. Any food and beverages remaining after a function may not be taken from the function area.

### Prices

Prices are subject to change. Banquet prices are quoted and are guaranteed for no longer than six months.
